Mortice Lock Kits

dormakaba mortice lock kits for both timber and aluminium doors provide a hassle-free way of ordering a lock and lever set.

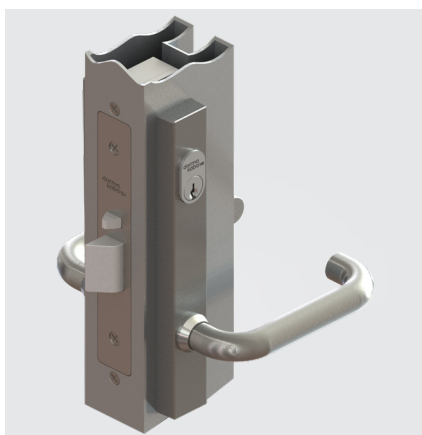

The kits provide a simple solution for the most common commercial entry applications and are conveniently packaged in one box for ease of supply.

The MS2602 mortice lock is combined with 6600 series plate furniture, cylinder cams and where applicable oval cylinders in both keyed alike or keyed to differ options. Snib adaptors are included as standard with the MS2602 mortice lock.

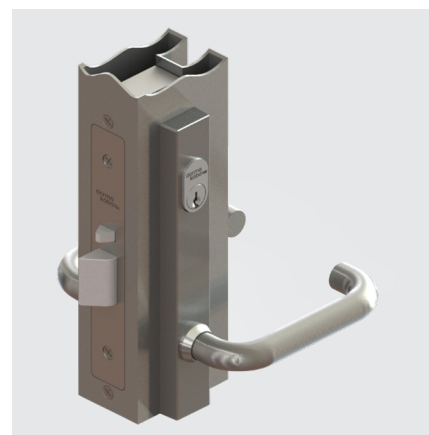

The SB2212 and SB2312 short backset mortice lock is combined with 6400 series plate furniture, cylinder cams and where applicable oval cylinders in both keyed alike or keyed to differ options.
